### The annual meeting of Paris Gibson Square, Inc. is scheduled for Wednesday, August 23, 2017.

Please join our board and staff as we host our annual meeting with a potluck (5:15pm) and celebration of our 2016-2017 accomplishments beginning at 6pm.

Each year, at the annual meeting, 1/3 of our board of Directors is elected by our membership. Please mail the ballot above to Paris Gibson Square Museum of Art, or visit and fill one out at the Reception Desk located in the museum's gift shop.

The nomination committee has put together the following slate of representatives to be voted upon to serve the board of directors for a three year term:

- **Barb Gwynn**, This will be Gwynn's SECOND consecutive three year term.
- **Jordan Husted**, This will be Jordan's THIRD and FINAL consecutive three year term.
- **Suzy Lake**, Suzy's activities as an artist range from textiles to wood carving to graphic design and the Japanese language, which is an art-form in itself. Her enthusiasm for applying the arts and implementing promotional strategies will make her an asset to every department at The Square. (this will be Suzy's first consecutive three year term)
- **Kyle Palagi**, Kyle's enthusiasm for cultivating a positive community stems from his growing family, and successes as team captain in his time playing hockey. He applies his profession as an engineer to improvements at The Square and provides staff, as well as fellow board and committee members an amiable, conscientious presence. (this will be Kyle's first consecutive three year term)
- **Felicia Read**, Felicia's profession, as an educator, and wide-ranging volunteerism have instilled in her strong civic and cultural values. With her Cultural Anthropology Degree and teaching experience she enhances our thriving relationship with Great Falls Public Schools as well as the diverse opportunities available to students and patrons of The Square. (this will be Felicia's first consecutive three year term)
- **Leslie Seltzer**, Leslie's experience in multiple board positions in PTA will be an asset for fundraising and the youth art programs. Her husband's family has a rich history in art and she is continually learning more each year about the importance of art, especially in our community. Professionally, she is an RN in home health and has a specific interest in the VSA program. (this will be Leslie's first consecutive three year term)

For the annual meeting, we will have staff and board members recapping the events and programs from last year, and upcoming events at The Square.
